

AASHNA JAIN

ARCHITECT | INTERIOR DESIGNER | SET DESIGNER

Rooted in architecture and driven by creativity, an award-winning experiential designer creating immersive brand narratives through innovative spatial solutions.

With over 7 years of experience and proficiency in both software and design, I excel at delivering innovative ideas and creating solutions that resonate. With a background in architecture, I bring expertise in experiential marketing set design, focusing on interactive experiences and spatial storytelling for luxury, lifestyle, and corporate brands.
